the goblin and the ocean s secret summary of this story the goblin and the ocean s secret is a children s fairy tale about a curious and brave monster named gob gob is amazed by how big the ocean is he can see it from his home which is in the middle of a thick forest near the water he decides to explore the ocean to find out more about it so he packs food and drink into a small backpack gob spends a long time making his way through the thick jungle before he gets to the beach he wades into the water after swimming for several hours he finally gets to an island in the middle of the ocean in a small cave on the island gob finds a treasure chest full of things one of them is a small gem that pulsed with a soft light as soon as he picks up the crystal he realizes that it is the key to opening the secrets of the sea and he feels a strange rush of energy gob makes his way back to his people the goblins who are having a hard time making it through the harsh winter and are quickly running out of food and supplies he shows them how the crystal can use the power of the ocean to bring warmth and plenty to their town he also tells them how this is done gob and his friends come up with a way to use the power of the crystal to heat their homes and grow food but their victory doesn t last long because a group of evil goblins who are jealous of gob s success attack their town they are willing to do anything to get the crystal because they want it for themselves gob gives the order for his friends to run away but he stays put to fight the enemy he uses the power of the sea to give himself a quick burst of strength and throw them crystal high into the air the evil goblins are scared away and the crystal shines brighter than ever before but winning does not come without a cost after letting out too much energy the crystal breaks into a million pieces which then scatters all over the forest floor gob s heart is broken but he quickly realizes that the pieces of the crystal still have their life force he puts all these parts together and comes up with a new way to use the power of the ocean it s not as strong as the original crystal but it s enough to support his group and keep them warm and fed gob realizes that the ocean s main secret is not just the energy it has but rather the chance to work together and help each other that it represents he has decided that information is not something that can be owned or controlled instead it is something that should be shared and used

for the good of society he is grateful for the help and support he has gotten from his friends and advisors and he knows that he needs to keep working with them to build a better future in the end gob and his people learn to live happily with the sea and use its power to keep themselves and their community alive when gob looks out at the ocean and sees how big it is it reminds him that he still has a lot to learn and understand on the other hand he is no longer afraid of things he can t know he is sure that if he and his people work hard don t give up and stick together they will be able to overcome any problem and use the power of the sea to build a better future for themselves and their society when it comes to learning and understanding the goblin and the ocean s secret is an uplifting story that shows how important it is to be persistent dedicated work together and be thankful this lesson is meant for kids and teens it also shows the possible benefits and risks of seeking knowledge and understanding as well as the importance of putting information to use for practical reasons and the good of society
